

# How to get married in Romance of the Three Kingdoms

---

But I have held my head in both my hands ever since, trying to figure out the intellectual kinship between myself and the one who wrote: “Long before I knew of you, I had mixed political economy and history and deducted therefrom many of your conclusions in concrete.” “Do you think you will go on doing it?” he asked, with a laugh. He laughed. “I told you I’d be all right if you started me on China,” he said.
